

**DARIAH – Call for National Coordinating Institution to host a National Coordinator**

**Frequently Asked Questions**  
**Version 3: 27 March 2024**

**1. Can an administrator working in an RPO who holds a PhD qualification apply for the role of National Coordinator?**

In relation to the eligibility for the role of National Coordinator, 'an academic of standing is someone employed in an academic role in the National Coordinating Institution. Someone employed in an academic capacity as opposed to an administrative role.

**2. Is there a current national steering committee for DARIAH in place?**

No, the previous national steering committee was formed under the previous Call in 2016. A new national coordinating committee will be established through the new call for National Coordinating Institution/National Coordinator.

**3. Can a costed module be used as part of the budget line for staff replacement costs?**

Yes, this can be used as part of the budget line. Please ensure a detailed explanation is included as part of the application.
